GOOSE RIDGE WINERY TOUR & TASTING

The Tri-Cities Wine Society's event on Friday afternoon, May 20 will offer a unique opportunity – a tour of the impressive Goose Ridge production facility, right in our own Tri-Cities backyard. The state-of-the-art production facilities are surrounded by 2,200 acres of estate vineyard, the largest contiguous vineyard in the state. All of the grapes used in Goose Ridge's five wine labels – *Goose Ridge Estate*, *g3*, *Tall Sage*, *Stonecap* and *Cascadian Outfitters* – come from this vineyard. In addition to producing these wines, the huge production facility provides numerous services – grapes for sale, bulk wines, custom crush, custom bottling, and wine storage.

The day will start with a short annual meeting at the Goose Ridge tasting room. Then we will carpool to the nearby production facilities where the winemaking staff will conduct a tour. They will fill us in on information about the wines they make and the winemaking process, along with barrel sample(s), and other details about the facilities. What's Next? Relaxing back at the tasting room while tasting some of the Goose Ridge Estate wines (both red & white) along with complementary food. As a special treat, we will also be offered a taste of their newest ventures – vodka and brandy.

We hope you will join us for an informative and enjoyable afternoon at the picturesque Goose Ridge Vineyards and Estate Winery location. ♦
