TRI-CITIES WINE SOCIETY

LONG SHADOWS VINTNERS

What happens when you give the world's top winemakers access to Washington's best grapes? The answer is Long Shadows Winery in Walla Walla. Long Shadows Winery is a family of seven wineries, each with its own approach to winemaking. The talented Gilles Nicault oversees all the wines produced, including his own. He collaborates with a group of legendary winemakers from around the world to achieve an amazing group of world-class wines. Excellence is achieved by extreme quality control where all the grapes are hand-selected and picked from outstanding Washington vineyards. 100% French barrels are used for aging the wines.

Join us for our April event featuring a selection of award-winning wines from Long Shadows paired with outstanding food from Café Magnolia.
